The statement must include a sentence that says there are no retirement benefits that need to be divided. The statement must be signed by both parties and the original document forwarded to our offices. The statement will need to be notarized. ## FOR VIRGINIA MEMBERS FILING A DIVORCE ACTION IN PRINCE WILLIAM COUNTY:

Please be advised that if your divorce is filed in Prince William County, the Court requires a Property Settlement Agreement that waives spousal support and equitable distribution of property before the final decree will be entered. This will require you to prepare a Property Settlement Agreement yourself or have the law firm prepare it for you for an additional charge. We cannot file an uncontested divorce in Prince William unless the parties have been separated for a year or for six months with no children **and** have a Property Settlement Agreement.
